Snow like ashes series wiki

Edit Young Adult Fiction, Fantasy Snow Like Ashes (book series) About[] Snow Like Ashes is a YA fantasy book by Sara Raasch, Summary[] A heartbroken girl. Sixteen years ago the Kingdom of Winter was conquered and its citizens enslaved, leaving them without protection or a monarch. Now, the Winterians' only hope for freedom is the eight survivors who managed to escape, and who have been waiting for the opportunity to steal back Winter's magic protection and rebuilt the kingdom ever since. Orphaned as an infant during Winter's defeat, Meira has lived her whole life as a refugee, raised by the winterian general,Sir, and training to be a warrior—and desperately in love with her best friend, and future king — she would do anything to help her kingdom rise to power again. So when scouts discover the location of the ancient locket that can restore Winter's protection, Meira decides to go after it herself. Finally, she's scaling towers,fighting enemy soidlers and serving her kingdom just as she's always dreamed she would. But the mission doesn't go as planned, and Meira soon finds herself thrust into a world of evil magic and dangerous politics – and ultimately comes to realize that her destiny is not, never has been, her own. NPCs in Elden Ring are the various inhabitants that the player encounters throughout their journey. These NPCs provide various information that will help players piece together the lore of the game, while some are quest givers, related to some quests, and are also speculated to be merchants whom players can trade. This page covers a full list of all the NPCs in Elden Ring where you can find detailed information on their location and other related information on each individual page linked below. You can check the Side Quests page to find all NPC questlines. See NPC Summons for a list of characters that may join you for boss battles. See NPC Invaders for a list of characters that can invade you or that you can invade. Elden Ring NPCs Merchants & Trainers A massive and deformed creature that offers blacksmithing services.Also involved in a questline later on. A friendly and polite sorcerer who sells Ashes of War. Demi-human that becomes a garments adjuster as the story progresses. Provides cosmetic changes for Armor. Tarnished Knight longing to pass on his battle arts. Sells Ashes of War. An old Merchant found in Caria Manor, he sells high end goods. The last Carian Queen, found at Academy of Raya Lucaria. She allows the player to respce and can also be used to change the player's appearance Other NPCs in Elden Ring Melina is first met during the beginning of the Tarnished's journey, and will approach them as they are resting and propose an alliance. Alexander, a large friendly cauldron with arms and legs, is stuck in the ground and asks you for help. A curious character players come across at Limgrave, early on in the game. Will offer some advices. The warden of Castle Morne, found laying on a bench in a non-hostile area of the castle. A distressed woman who warns you of the dangers of Castle Mourne as she implores you to take on a quest for her. Self-proclaimed to be the next ruler of Limgrave, Haight asks for help to clear out his fort, Fort Haight. Current ruler of the Lands Between, with a demigod offspring who seeks for the power of the Elden Ring. A Noble at Roundtable Hold looking for a loyal servant to his house, Lanya. A morbid duo located at Roundtable Hold, particularly interested in bell bearings. A recurring character in From Software games, generally acting as a double-crosser. Lying beside the gates to the Northernmost building in Limgrave, with a frustrated and sad look. Found at Roundtable Hold, surrounded by large piles of books. Fellow warrior and tarnished who helps you in the battle against Godrick the Grafted if summoned. A mysterious woman found in Liurnia of The Lakes roaming The Lands Between in search of the distant light. Curious women with the gift of foreseeing what lies ahead just by reading the palm of the individual's hands. They are located in diverse places of The Lands Between. A tall, suspicious fellow found by the entrance of Stormveil Castle. He later becomes a merchant as the story progresses. A mysterious figure sitting on the top floor of Ranni's Rise at the Three Sisters. Looks suspiciously like someone you've met before... A pompous sorcerer bound in service to Lady Ranni. He can be found at his tower in Seluvis's Rise. A warrior with a wolf head that you are asked to seek. An old Sage with a favor to ask A young woman stricken with scarlet rot A massive Living Jar guarding the Colosseum in Caelid. He will allow you to battle his knights. An Albinauric archer with a wolf companion. Witch-Hunter Jerren is a Herald bound to Castle Redmade until the defeat of Starscourge Radahn An unapologetic ne'er-do-well who stole a necklace from Rya. Likes to boil prawns and crabs. A small living jar that can be found sitting on top of some stairs at the north end of Jarburg. When this chivalrous dauntless knight met Fia, who had been driven from her home, he declared himself to be the father. American author of young adult fiction (born 1989) Sara RaaschBorn (1989-08-26) August 26, 1989 (age 32)OhioOccupationWriterNationalityAmericanEducationWright State UniversityGenreYoung adult fiction, fantasyWebsite Sara Raasch (born August 26, 1989) is an American author of young adult fiction. She wrote the fantasy New York Times Bestselling trilogy Snow Like Ashes (Balzer + Bray/HarperCollins) as well as the fantasy series These Rebel Waves and the sequel, These Divided Shores (Balzer + Bray/HarperCollins).[1][2] Biography Sara Raasch is an American author of young adult fiction. Raised in Ohio, Raasch graduated from Wright State University with a degree in Organizational Leadership and currently resides in Ohio.[3][4] Works Snow Like Ashes series (Balzer + Bray/HarperCollins)[5] Snow Like Ashes (2014) Ice Like Fire (2015) Frost Like Night (2016) These Rebel Waves (2019) These Divided Shores (2019) set fire to the gods (co-author) (2020) Raasch is also the author of These Rebel Waves and its sequel, These Divided Shores "inspired by the Spanish Inquisition and the Golden Age of Piracy" (Balzer + Bray/HarperCollins).[6] Reception Raasch's Snow Like Ashes (2014) became a New York Times Bestseller in 2015.[7] Shortly after, Ice Like Fire (2015) debuted on the New York Times list at #3.[8] Her books have been Colorado Blue Spruce Award nominees, an RT Book Reviews Top Pick, a Huffington Post Best Overall YA Book of 2014, and a Hypable Top Ten Books of 2014.[9][10][11][12] References ^ "Discover Author - Sara Raasch". I really liked Meira the main character. The twists and turns were great and I didn't guess the ending early on which was awesome and refreshing. Read on for what happened in Snow Like Ashes with spoilers! Author Sara Raasch Ratings 4.2 stars on Amazon 4.05 stars on Goodreads Add Snow Like Ashes at Goodreads Snow Like Ashes Series #1 Snow Like Ashes #2 Ice Like Fire #3 Untitled I give it 3.5 stars overall. Lets be friends on Goodreads: Main Characters and Other info Meira - Orphan Winterian refugee Mather - Refugee and King of Winter. Meira's friend Sir (or William) - Commander of Winter's small band of refugees Angra - king of Spring Herod - king Angra's ruthless general Noam - King of Cordell Theron - Noam's son, prince of Cordell Setting - A Kingdom called Primoria divided into Spring, Summer, Winter, Autumn and the four Rhythm kingdoms. Jannuari is the name of Winter's great city. Chakram - Mira's weapon of choice, (see book cover) Background: Each of the kingdoms of Primoria has a magic conduit that only works for the royal family. The royal family is either female or male line based. With these conduits they can create a plentiful harvest, make people better soldiers, provide health, or even force their people to obey (the king of Spring, Angra, uses his magic to enhance anything bad or evil rather than the betterment of his kingdom). These conduits were created from a giant ball of magic that is somewhere beneath the season kingdoms (to which the entrance has been lost). They are in the form of things like a locket, a ring, a dagger. Sixteen years ago, the kingdom of Winter was attacked by the land of Spring. Only a few Winterians managed to escape and the rest were killed or enslaved. Their leader, Queen Hannah, was killed and their conduit, in the form of a locket, was broken in two. One half is kept around Angra's neck and the other is kept on the move. Those few Winter refugees have been in hiding ever since. ***** Everything below is a SPOILER ***** What happens in Snow Like Ashes? Meira, an orphan since the attack on Winter is in hiding with the other Winterian refugees. Her best friend Mather is Winter's young king. It's easy for Meira to forget that Mather is king. She knows she has feelings for him and possibly he does for her too but they are kept at arms length by their stations. After countless failed attempts to retrieve the locket by the Winterian group, Meira is finally allowed to go on a mission to follow a lead on the whereabouts of a locket half. She is able to retrieve it after a run-in with General Herod. The Winterian refugees are relieved to be halfway to having their complete conduit but Sir is angry that Meira was in so much danger. Mather continues to worry that even when they get the other half, he will not be able to use the magic since the Winter Kingdom line is female based and he is the only child of the late Queen Hannah. Unfortunately, Meira was tracked by Spring's men and the group of Winterians is forced to move their camp. They go to Cordell, a Rhythm Kingdom and meet with their ruler, King Noam. Soon Meira finds that Sir and Mather have arranged a marriage for her to King Noam's son, Prince Theron. Though Theron is nice enough, Meira is livid that Mather has done this to her. He is sad about it as well but it was the only way for Winter to gain aide from Cordell. During her time in the castle Meira is angry and avoids her etiquette classes that they are trying to force her to go to. There is a tense, unspoken power struggle between King Mather and Prince Theron. Meira has frequent dreams about Jannuari and Queen Hannah. He sends her to the work camp where other Winterians have been locked away for sixteen years. She is locked up with siblings Nessa, Conall and Garrigan. She spends her days toiling at the wall and making friends with Nessa. After a while she decides to do something. Something to give hope to the people. She makes a knife and slowly over several days brings down a work ramp on the wall killing many Spring soldiers. Afterwards a Spring soldier accuses her of causing the destruction but a Winterian boy defends her and gets lashes for it. Meira then touches him and has that same icy feeling that she has when she left Sir. To her, and everyone's amazement, the boy is healed. Once again she is brought to the king and he tries to trick her into telling her where her magic comes from through mind visions. Hannah is able to protect Meira from him and shows her the rest of her past. Meira is really Hannah's daughter. Sir and his wife brought up Mather as Hannah's son to protect Meira. Mather is Sir's son. When the conduit broke when Hannah was killed, the magic went into Meira and is more powerful than ever. Meira is now the conduit. Prince Theron comes to bargain for Meira's life but finds himself a prisoner as well. They are both sent to be tortured by Herod. Luckily, Meira is able to kill Herod and she and Theron are able to get away. After a desperate kiss, Theron rejoins the Cordellian troops and Meira goes to save her people. How does Snow Like Ashes end? Meira slices her way through the guards and releases the Winterian slaves. They take up arms and head for the gates where the Autumn and Cordell armies are. Meira and Angra engage in hand to hand combat until Sir shows up...alive! Meira had healed him and didn't know it. Sir fights Angra and eventually Mather breaks his conduit staff. Angra disappears in a cloud of Decay. Most think he is dead and gone but Meira knows better. She knows first hand that when a conduit breaks, the magic goes into the heir. There is rejoicing and the Winterians bow down to Meira. Mather seems happy and sad at once. His whole life has been a lie. The armies free the other Winterian work camps and then the Cordellians, including Theron and Noam, escort them home to Jannuari. To Winter. There you go! That's what happened in Snow Like Ashes. Hope your enjoyed this Snow Like Ashes Summary with spoilers. What now? Follow Book Series Recaps on Instagram Friend us on Goodreads: Sara and Stacy.
